FOR IMMEDIATE RELEASE

Sarco Creek Bridge Project- Napa Northbound State Route 121- 24-Hour Closure Updates No Detours-Weekend of October 15

NAPA COUNTY– The California Department of Transportation (Caltrans) is continuing to work closely with PG&E and other local utility providers to relocate utilities during preliminary work on the State Route 121 (SR-121) Sarco Creek Bridge Replacement Project in Napa County. Construction of the replacement bridge is scheduled to start in early 2017.

As part of this month's preliminary work, northbound State Route 121 (SR-121) at the Sarco Creek Bridge is scheduled to continue to be closed 24-hours a day until October 9 to underground gas utility lines. The line relocation is preliminary work for the upcoming SR-121 Sarco Creek Bridge Replacement Project.

What to Expect

Northbound SR-121 closure started Monday, September 14, 2015 and is expected to be completed on Sunday, October 25, 2015. Detour signs are posted. All work is weather, schedule permitting.

Northbound-121 Closure Detour Routes

Motorists traveling on northbound SR-29 will be detoured starting at the SR-121/SR-221 interchange. Motorists will continue to travel on northbound SR-29, then eastbound onto Trancas Street, then re-enter northbound SR-121 from Trancas Street. Detour signs and Changeable Message Signs will be posted. Additional detours will be provided through W. Imola Avenue and Lincoln Avenue.

Northbound SR-121 will remain open up to Hagen Road for local traffic only. Northbound traffic will not be allowed onto the bridge during the work. Southbound SR-121 will remain open.
